

Dear HMS Orchestra Parents/Guardians:

The HMS orchestra program is selling Polar Bottle® insulated water bottles to help support and supplement the program. These 24-ounce bottles are sturdy and well-insulated. They will be a wonderful addition to your student's belongings to help advertise the orchestra program, as well keep your student hydrated throughout the school year.

These bottles were ordered by the previous orchestra teacher, but we have many bottles left over. If you, your student, family, or friends are interested in a water bottle, please fill out the following form and return the form and payment with your student during orchestra.

The proceeds will go toward providing replacements for musical supplies throughout the school year. Thank you for your constant and everlasting support in the Henderson Middle School Orchestra Program. We cannot do it without your help.

Ms. Tang
